1957 Consolidated Index

Of Diesel Power Articles

THIS INDEX WILL HELP YOU FIND ANY ARTICLE

IN THE LAST TWELVE ISSUES OF DIESEL POWER

Industry News and Special Reports	Month	Page
1957 Outlook Good	Jan.	30
ARBA's Road Show	Jan.	38
Diesel Specialists Form Association	Jan.	37
Developing Tomorrow's Construction Machinery	Jan.	45
What's Happening with Small Diesels?	Jan.	46
Noise Costs Money	Feb.	38
Mobile School's Effectiveness Increased	March	47
1957 Diesel, Dual-Fuel and Natural Gas Engine Specifications	April	62
Let's Stop Our Fighting!	April	46
Worthington's "Power Fair"	April-	72
Engines You May Never See	May	28
Training and Prestige - Goal of II Programs	May	33
Buffalo Industrial and Educators Work Together To Ease Mechanic Shortage	June	52
Buyers Guide	July	57
ADS Grows - and Grows - and Grows	July	90
How the British Do It	Oct.	47
ADS Meeting Helps Everyone	Nov.	54
Export Engines Can Have It Tough	Dec.	26

Accessories and Drives

	Month	Page
New Designs		
Cold-Starting Aid for Small Diesels	Jan.	49
Matching Fuel Delivery To Turbocharged Performance	Feb.	40
Conditioning Your Engine Intake Air	March	22
Long's Industrial Torque Converters	March	28
Automatic Controls Protect Your Investment	March	32
Simplified Single-Stage Torque Converters	March	42
New Turbocharger Models	May	34
Air Filter Design Features Cleaning Ease	May	38
How Big Is a Drop?	May	42
Semi-Automatic Transmission Improves Drive Flexibility	May-	50
Load-Sensing Governor Anticipates Speed Changes	June	49
Governing Torque Converter Output Speeds	June	60
New Turbochargers Go Into Production	July	54
Operate PTO's with Air	Oct.	44
New Cranking Battery for Diesel Locomotive	Nov.	43
American Bosch Hydrotor	Nov.	51
Air-Powered De-Clutch Takes the Work Out of Gear Shifting	Dec.	39
Modifications		
Installing and Operating Mack's Exhaust Brake	March	40
What's Torque Control?	Oct.	58
Get the Right Transmission	Nov.	44

Engines and Components

	Month	Page
New Designs		
New Mercedes-Benz Diesel - 600 hp. 3000 lb	Feb.	44
Worthington's New Turbocharged Gas-Engine Compressor	Feb.	49
Waukesha Adds Another Turbocharged Engine	April	79
Unique Engine Tested	May	36
Free-Piston Turbine Engine Tested in Tractor by Ford	May-	49
Air-Cooled Porsche-Diesel on Way to U.S.	June	41
Free-Piston Engine Design Moves Ahead	Dec.	28
Petter's New "PC" Line of Engines	Dec.	46
Modifications		
Overall Performance of GM's Free Piston-Engine Improved	March	39
GM "110" Uprated By Turbocharging	April	47
Getting More Power For Less Fuel	April	48
Conformable Compression Rings Help Big Engines Too	July	50
Pick the Right Governor for the Job	July	83
Detroit Diesel's 71E and 71T Engines for Trucks and Buses	Sept.	36
Cummins Stresses Dirtproofing	Oct.	55
Metallurgy Makes the Difference	Nov.	35
Field Conversion Kits Turbocharge C-B Engines	Dec.	38

Operating Reports

	Month	Page
Dual-Fuel Engines Cut Sewage Plant Costs	Jan.	34
Steam Plant Economizes with Dual-Fuel Engine	Feb.	30
Wauchula Gets Power and Profits	March	25
Profits Today and Tomorrow Too	May	39
Plant Capacity Boosted 500% in Five Years	July	44
Turbos Are Rugged	July	85
Residual Fuel Pays Off For Municipal Plant	Aug.	44
Rigid Service Schedule For Miami Pumps Pays Off	Nov.	39
Neodesha's Latest - Its Biggest	Nov.	82
Tractor Diesel Tops Million Miles - Still In Top Shape	Dec.	45

Applications

	Month	Page
Hydraulic Dredges as Earthmovers	Jan.	36
Diesel Locomotive Doubles Effectively As Road and Yard Switcher	Feb.	31
Power Insurance for Radar Sites	Feb.	37
Winterized Locomotive is Match for Yukon Weather	March	37
Diesel-Electric and Straight Electric	April	71
Dual-Fuel Engine Solves Industrial Load Problems	May-	35
Lightweights Need Matched Power	May	46
Complete Electric Power Plant on Wheels	June	42
Automatic Diesel-Compressor	June	43
White Builds 1250-kw Mobile Unit	June	44
86,000-lb Capacity Stable Cat Pipelayer	June	59
GM's Free-Piston Engine Turbine Applied in Marine Service	June	62
Buses That Bend	July	89
Out With the Old - On With the New	July	90
Lake RR Bed Construction Depends on Diesels	Aug.	37
Packaged Units Pump Middle East Oil	Sept.	30
Diesel Power Processes Uranium	Sept.	39
Tractor Converted to Wagon Drill	Sept.	42
Diesel Development Delivers Savings	Sept.	47
Diesel Rig Travels Far and Fast to Drill Deep	Sept.	50
White Diesel Direct Drives Shovel Crane	Nov.	42
RR Diesels Conditioned for Mountains	Nov.	46
Equipment Servicing - Big Problem on Big Job	Dec.	32
Gas Stored Underground - Gas Engines Put It There	Dec.	40
Gas Turbines Picked For Canadian Plants	Dec.	46

Maintenance Procedures and Services

	Month	Page
Cat's Tips to Avoid Fuel System Freeze-Ups	Jan.	50
How ALCO Diesels Are Modernized	Jan.	52
Chroming Reclaims Parts and Extends Life	March	34
Protective Coating Needs No Removal	March	38
Alco's Crankshaft Chroming Process	March	44
Field Fixes For Injection Pump Leakage	April	52
Dump Your Anti-Freeze	April	53
Cold-Repairing Can Save It	April	54
Engine Analyzers Insure Peak Performance	April	76
Is Your Drive Installed Correctly?	May	44
Special Devices Speed Locomotive Repair	June	46
Watch Your Oil Seals	June	50
Servicing GM's Four-Valve Heads	June	53
Shop-Made Clamp Holds IH Nozzle Valve	June	55
Cold-Repair It Yourself	June	56
Repairing Block-to-Liner Seal Areas	July	52
Lash Adjuster Care Cuts Valve Failures	July	86
Service Your Turbo - Keep It Trouble Free	Aug.	30
Reconditioning Crankshafts	Aug.	40
What Readers Write	Aug.	50
Recognize the "Why" of Gear Failures	Sept.	32
Paper Wipers Help Reduce Maintenance Costs	Sept.	38
Guide For Timing Gear Alignment and Clearance	Sept.	41
Simple Cooling System Maintenance	Sept.	48

Maintenance Procedures and Services (continued)

	Month	Page
Wrenching with Power	Oct.	36
Maintenance Do's and Don't for Electrical Systems	Oct.	49
You Can Prevent Diesel Engine Damage	Oct.	50
Turbocharger Failure? Why?	Oct.	56
Avoid Converter Overheating	Oct.	60
Breaking-In Rebuilt Engines	Nov.	32
Valve Jobs Can Be Better	Nov.	40
Metallizing - A reclamation Tool	Nov.	48
RR Diesel Wear Rage Measured in Seconds	Dec.	31

Shops and Tooling

Talking Shops Series	[illegible]	[illegible]
H.D. Taylor Co.	Feb.	32
North American Engines Company	June	36
Diesel Fuel Injection Service, Inc.	Aug.	34
H.O. Penn Machinery Co.	Oct.	39
Diesel Injection Sales & Service, Inc.	Dec.	42
Internal Combustion Leaks Located From Outside	Aug.	43
Governor Test Stand a Must for Accuracy	Aug.	49
Tall Hone Prepares Liner Surfaces For Quick Break-In.	Dec.	47
For Quick On-the-Job Diagnosis and Repair of Diesel Fuel Systems	Oct.	43

Fuels and Lubes

	Month	Page
What Lube Oil for LPG's?	Feb.	46
Kit for Lube Oil Field Testing	Feb.	48
Medium-Speed Engines Can Burn Residual Fuels	Feb.	50
What Makes A Modern Lube Oil?	May	30
Treated Fuel Betters Engine Performance	July	47
Save Fuel Costs For Earthmover Engines	Aug.	38
Gas Turbines Burn Coal Too	Aug.	47
Radioactive Lube Oil Speeds Engine Research	Sept.	43
You Can Get Better Fuel Mileage	Sept.	44
How To Get Quality Fuel - With Economy	Dec.	35
